

About our facilitator...

Kattie Somerfeld is the Fair Trade Projects Coordinator for Lutheran World Relief in Baltimore, Maryland. She will provide a day of hands-on

activities, strategies, and resources for congregations interested in bringing Fair Trade to their congregation, college campus, and the broader community.

What is Fair Trade?

- Fair Trade criteria ensure that workers are treated ethically, are paid fair wages, and work in safe conditions.
- Fair Trade also promotes equal employment opportunities, respect for producers' cultural identity, respect for the environment, transparent financial dealings, and education about trade inequities.

Upon registration you will receive a confirmation letter including directions to the event location.

Directions will be sent via e-mail or United States Postal Service.
